LOCAL GOVERNMENT ELECTIONS ACT: A Proposal for Consolidation and Modernization

**Supplement to the Final Report of
the Advisory Committee on Municipal Elections
to the Minister of Municipal Affairs**

February, 1987

PREFACE

The draft Local Government Elections Act presented on the following pages was prepared at the request of the Advisory Committee on Municipal Elections as a supplement to its final report to the Minister of Municipal Affairs, entitled "Local Government Elections in Ontario".

This document has been prepared for discussion purposes only and its contents do not necessarily reflect the views of the Ministry of Municipal Affairs.

The draft legislation is based on the Municipal Elections Act. It incorporates a number of provisions pertaining to local government elections which are currently found in other statutes, such as the Municipal Act and the Education Act, and includes both modified and new provisions which reflect the Committee's final recommendations. The draft Act is written in modern, non-sexist language and more up-to-date terminology has been adopted for the sake of clarity and simplicity.

To assist the reader in comparing the draft provisions with the Committee's recommendations and with existing legislation, comments have been inserted, where appropriate, following the individual sections, subsections or clauses.

The members of the Committee are grateful to Brian Loreto, a lawyer who acted as a consultant to the Committee and who prepared the draft legislation and to Sylvi Woldenga, who provided administrative support services.
